

Dynamics NAV/Business Central PDF Distribution made simple

Eagle 360 Advanced PDF Distribution module adds simple and efficient pdf emailing functionality to Microsoft Dynamics NAV/Business Central.

1. Any Report to PDF Distribution

The flexible user interface allows users to select any report that is available within the NAV Report Selections page to be included within the PDF Distribution functionality.

2. Multiple Formats per Customer or Vendor Account

Users will be able to define custom report formats for individual customers or vendors

3. Customise Mail Subject and Body Messages

The PDF Distribution functionality allows the users to set custom Subject and Body text using HTML tags per report

4. System Requirements

Microsoft Dynamics NAV 2013 R2, Microsoft Dynamics NAV 2015, Microsoft Dynamics NAV 2016, Microsoft Dynamics NAV 2017, Microsoft Dynamics NAV 2018, Microsoft Dynamics 365 Business Central.
